RESPONSE TO RESTRICTION REQUIREMENT

The following is in response to the Restriction Requirement mailed December 26, 2006, which has a period of response through January 26, 2007.

The Examiner has required restriction of the application to one of the groups of claims under 35 U.S.C. § 121. The Applicants, by their attorney, now elect the claims of Group I without traverse (claims 1-13 and 17-18) and drawn to method of making compounds of formula (I). Applicants elect the compound 2-(3R)-1-azabicyclo[2.2.2]octan-3-yloxy]-xanthen-9-one, Example 21, for search purposes.

Favorable action is now solicited. Applicants reserve the right to file divisional applications on all non-elected subject matter of the instant application.

Respectfully submitted,
Schrimpf, *et al.*
